

As the Special Education teachers update student's IEPs in the new system, you will be able to view it in PowerSchool. If you haven't done that yet,

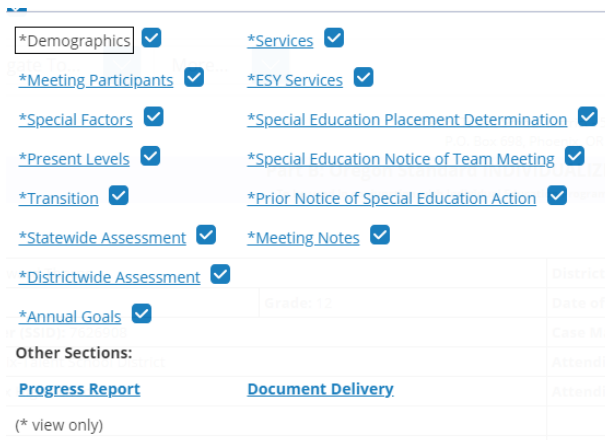

- Choose 'Special Education' on the pull-down menu for the student

- Choose 'Active Oregon IEP'

Documents for 2018/19	Status	Creation Date	Modification Date	Finalization Date
Active Oregon IEP	Final	11/21/2018 Wed, 11:05 AM	11/30/2018 Fri, 01:54 PM	11/30/2018 Fri, 01:54 PM

- If you hover over the blue down arrow next to 'Demographics', you can view all the various documents within the IEP

- Your best snapshot would be to view the 'Present Levels', 'Annual Goals', and 'Services' pages for any given student on an IEP
- As always, ***this information is confidential.***

Let any member of the special education team know if you have any questions. Thanks!
